EDUCATION FIRST

THIS IS HOW SCHOOL SHOULD WORK

If your first language is not English, middle and high school can be very difficult. We get it. At Fugees, you will have teachers with high expectations who understand that you need direct instruction, high-quality materials, and the time and space to practice new skills. At Fugees, you will feel safe, and you will work hard. Every day, you will attend English, Math, Art and Music. You will have a "House" at Fugees, made up of students from all grades, so you will always have people looking out for you. With a strong start, there is no limit to how far you can go.

THE POWER OF SPORT

YOU'RE ON OUR TEAM

Soccer is a global sport that transcends age, language, and ethnicity. As a Fugee, you will have practice after school and games on the weekends. Wearing the Fugees uniform means that you have a coach who challenges and supports you and teammates from around the world who will be your friends for life. Middle school students play in a recreational league. High school students compete against other local high schools, with the chance to play competitively at the varsity level.

CELEBRATING CULTURE

At Fugees, we strive to do everything with P.R.I.D.E:

Perseverance
Respect
Integrity
Dedication
Excellence

We are proud of where we come from and the futures we create together through healthy challenges, community strength, and celebration of our differences.
